BECOME A PATRON OF BALLETLAB

You are invited to join a dynamic network of people who support the work of BalletLab and the artistic vision of choreographer and performance maker, Phillip Adams.

BalletLab creates resonant and compelling contemporary performances which provide a transformative experience for the audience, the art form and the performer. We aim to be recognised as a commanding force amongst Australian contemporary dance companies, consistently challenging the form and presentation of contemporary dance.

Collaborating with significant artistic partners on each project, BalletLab works are proudly made in Melbourne for a global market. They are conceived for specific contexts, from traditional theatres to boutique works that can be experienced as installations.

Since its inception in 1999 under the artistic direction of Phillip Adams, BalletLab has toured nationally and internationally, performing in USA, China, Scotland, Denmark, Germany, England, Korea, Mongolia, Romania and Bulgaria at many festivals and venues to critical acclaim.

Help us to achieve our goals through annual giving on a regular basis, providing vital assistance towards the company's performances, touring and nurturing of Australian dance.

All donations are fully tax deductible and if you wish, can be directed to specific projects including new works, international tours and residencies.

Our supporters receive regular emails and advance notice of all our events, with Patron acknowledgement on BalletLab's website, in our Annual Report as well as preferential ticketing and invitations to special events. There are additional opportunities for a closer and personal involvement with the company throughout the year.

BALLETLAB PATRON OFFERS FOUR LEVELS OF GIVING YOU MAY WISH TO CONSIDER.

We invite you to support our company via the notion of metaphorical slippers: eclectic, divine and unique creations to support all the possibilities that BalletLab has to offer artistically as Australia's most extraordinary dance company of creators and performers.

BalletLab Patron status applies to donations of \$250 or more. All donations of \$2.00 or more are fully tax-deductible and gratefully accepted at all levels.

Velvet Fur \$250 to \$2499

Rich in nature with a luxurious edge, classically stylish and warm, yet requiring a commitment to contemporary dance that is in keeping with the hunter mentality of survival of the fittest.

Silk Satin \$2500 to \$9999

Like classic ballet slippers, but with an exotic twist, Silk Satin comes in a range of bespoke colours and detailing designed to stimulate and pique the interest of the observer.

Jewel Encrusted \$10,000 to \$24,999

Limited edition, individually unique and beautifully crafted by hand, these draw breath in the observer and incite lust through the flash of their brilliant, refracted light.

The Isabella – Diamonds and Pearls embedded in gold \$25,000 +

Can a slipper embody the exalted vision of a 15th century Spanish altar made from the gold of the old world brought into the new? And what secrets are contained within?
